Prayer for Freeing the World

Hello beautiful, this is Jennifer Hadley and our prayer for today is for freeing the world.

Yes, we are choosing liberation.

So grateful to place my hand upon my heart, so grateful to say yes to liberation, yes to rising up.

So grateful that we can not just liberate ourselves, but we can liberate the world.

So grateful to open ourselves to all the possibilities of freeing the world from lack and limitation, from our limited thoughts about the world.

We are liberating the world from our victimhood.

We are grateful to open our spiritual eye, our divine vision, and to see the world correctly.

We are grateful to see ourselves correctly. We are practicing divine vision. We're open to seeing what's real and letting go of the false.

Grateful to surrender ourselves and surrender our opinions, our judgments, and truly surrender the false self, surrendering any sense of attachment to our view of the world.

We are letting go, and we are freeing the world from our hostility, from our complaints, from our sense of despair.

So grateful to allow the weight of the world to fall away from us, and we open our heart and mind to the truth.

We open our heart and mind to miracles. We are willing to be miracle-minded and to go forward in love, sharing and extending that love with our brothers and sisters in the most beautiful and meaningful ways.

Indeed, we are grateful to allow it all to unfold with ease and with grace.

We know it's done, and so it is.

Amen. Amen. Oh man, oh man. Oh yes.

Thank you, thank you, thank you for being my prayer partner today. Thank you.

Oh my gosh, so good.

All right, what is coming? Tomorrow, no Sundays with Spirit - taking the day off.

And then Monday morning, Free Forgiveness Workshop, so come and join me on Monday morning for the Free Forgiveness Workshop. All are welcome.

Monday is also the last day to get the bonuses with the "Change Your Mind" program. The majority of bonuses expire Monday at midnight Pacific Time.

So we've added some wonderful bonuses from Michael Meade, Alan Cohen, James Twyman, and me.

So lots of the bonuses are actually worth more than what we're charging for the class, so that's pretty cool, and I'm excited. I'm excited for this. Yes.

Oh, and today a new episode of the podcast - I had a lovely conversation, very inspiring, with Alan Cohen talking about self-love isn't selfish.

So you can go and get that.

And in case you didn't know, I'm publishing the podcast on YouTube now, and so you can watch it there if you'd like to see us talking with each other.

And Alan is such a treasure. I love him. We love talking with each other.

And so that's what's going on.

I love you.

Have a really healing day letting go of attachment to the world, liberating the world, freeing the world.
