## Prayer for Letting Go Illusions

Hello beautiful, this is Jennifer Hadley and our prayer for today is for letting go of illusions.

Illusions and delusions - we let them fall away. We just are not interested in clinging to them, propping them up, putting them forward anymore.

We are grateful to let go of the illusions and delusions. We place our hand upon our heart and we say yes to freedom, yes to inspiration, yes to a life of love without illusions and delusions.

Love is real. Love is our true identity, and we are grateful to anchor ourselves in that which is true, that which is real, that which is eternal.

So we're letting go of feeding the illusions and delusions in our mind, and we're anchoring ourselves in the real world of God's infinite love.

So grateful to allow ourselves to relinquish the attachments to the stories we've made up about ourselves, about life, about love, about our bodies and our finances and our careers, our families - all the stories that we've made up, all the untruths that we have fostered.

We're allowing them to be dissolved and resolved permanently back to whatever their root cause is. We don't even care. We're just so, so ready to let them go.

So we're calling upon all that is holy, the company of Heaven, to assist us in releasing these attachments to the stories from the past.

We're setting ourselves free, and we are consciously sharing the benefits with everyone everywhere because we are eternally one with them.

In gratitude, we allow it to be, and so it is.

Amen. Amen. Amen.

Yes, yes, yes, yes.

Thank you for praying with me today. Thank you for being my prayer partner. So grateful.

And what's going on is Saturday, the workshop that I am doing is Healing Religious Guilt. We are letting it go. We're letting it dissolve and resolve permanently back to the root cause. We really are.

So we just don't need to carry that around anymore. It's a burden. We're going to put it down.

And if you feel like that is an issue for you, please come and join me on Saturday.

Also, what's going on is "Change Your Mind." I'm doing another "Change Your Mind" series - Change Your Mind About the World - with Alan Cohen and James Twyman, Michael Mehrdad, and Lisa Natoli.

I'm very excited about it. It starts at the end of the month, May 30, and we are launching an early bird bonus. So sign up during the early bird period and you get some great bonuses.
