Yes, let's place our hand on our heart and we are grateful so grateful to allow the love to flow so grateful to open ourselves and allow the infinite field of love to flow through our consciousness through our heart in mind, we are grateful to open ourselves and release any and all blocks to love we are opening our heart and gentle and sweet ways allowing ourselves to remember that love is really what we are. Love it's our true nature and our true identity love is our goal love is to everything and so we are focusing on being the love, sharing the love and opening to the love, allowing ourselves to let the love and allowing ourselves to be fully loved by the entire universe, fully loved by the folks that we meet the people in our life the pets allowing all that love in allowing ourselves to experience the fullness of God's infinite love in folding us surrounding us infusing yes, we welcome it. We are grateful and thankful to live our life in a field of perfect love and to truly let it in, we are consciously sharing the benefits of our willingness to accept the love and open to love with everyone because we're one with them we allow it to b and so it is amen amen.
