Prayer for Peace In the World

Hello beautiful this is Jennifer Hadley and our prayer for today is for peace in the world yes peace in the world peace in our hearts means peace in the world so we place her hand upon our heart and we are grateful and thankful to open ourselves to the clear insight of pure love intelligence. We are grateful to allow ourselves to rise up and to remember the peace of God where relinquishing any blocks to peace in our mind, any blocks to love in our heart, we're surrendering them all, and allowing ourselves to be lifted and shifted peace in the world begins in our hearts in our mind so we are being truly helpful by cultivating peaceful mind, the peaceful love of God shines in our awareness we open ourselves you truly receive a healing a clearing a letting go of anything we've been clinging to any resentment or regrets any judgments and opinions anything that's lingering that we can't seem to shake we're handing it over holy spirit, shaking it loose within us with ease and with grace with such stealth like accuracy we barely even noticed, except when we feel that freedom that true release, knowing that pieces in our hard pieces in our mind and we are projecting it onto the world. We are truly opening ourselves to be the transformative linchpin for all humanity. We are willing to take on that loving responsibility, giving ourselves over to the love of God to the joy of God to the peace of God we're saying yes to infinite intelligence flowing in our awareness so that all that we see know and recognize is the truth that is what we value and that is why we are at peace. We share the benefits with everyone everywhere because we r eternally one and we allow it to be and so it is
