Prayer for Release and Clarity

Hello beautiful, this is Jennifer Hadley and our prayer for today is for release and clarity.

Yes, we are releasing the blocks to love. Releasing the limited ideas. False beliefs fall away.

We place our hand upon our heart, and we are so grateful that with the release comes clarity.

We are grateful to open our hearts and minds to the power of love within us, grateful to open ourselves to that clear vision of God's infinite love as our very life.

We are truly grateful to release whatever the blocks to love have been operating in our consciousness. We are surrendering them now.

We are no longer interested in the delusion of separation. We're no longer interested in all the false beliefs that have been running our life in ways that we aren't even aware of.

We are grateful to open ourselves to a level of clarity that is so refreshing and renewing and restorative.

We are grateful that we can release the attachments, the cravings, the aversions, the crazy view and the crazy thoughts about ourselves and the world.

We can release all of that and find that there is clarity.

So grateful to let the thoughts of the past go. We're standing on higher ground. We're allowing ourselves to truly liberate from the false view and allow ourselves to see with God's vision, God's clarity.

So grateful to share the benefits of our healing consciousness with everyone everywhere because we are eternally one.

So grateful to release the attachments and to embrace the clarity.

We let it be, and so it is.

Amen. Amen. Amen.

Ha ha ha ha ha ha.

Yes, clarity - it's a thing.

I love it.

So many years I was confused and confused and confused. Oh my goodness.

So grateful for spiritual practice that set me free, and thank you for being part of my spiritual practice. It keeps me spiraling up, so glad we're going there together.

OK, what's on today? No Sundays with Spirit today - taking the day off.

And Monday morning, Eastern Time, 10 AM - Free Forgiveness Workshop. Come one, come all.

So I hope to see you soon.

Have a beautiful, blessed day, and I love you.
