

Prayer for Today

with Jennifer Hadley

Prayer for Releasing All Grievances

Hello beautiful, this is Jennifer Hadley, and our prayer for today is for releasing all grievances.

So good to let them go. So good not to hold onto a single grievance.

We're letting all the grudges and complaints go, laying them on the holy altar.

We place our hand upon our heart, and we are grateful and thankful that we can let go of the past. Grateful and thankful that we don't have to drag the past with us into the present moment one more moment.

We are grateful and thankful that we can keep our attention on the now moment, where the Love is. We are allowing ourselves to truly live a life of vision and freedom and peace, harmony and joy, prosperity and Love.

So grateful to give up all complaints, grievances, grudges. We're not needing to drag any of that with us anymore. We're so grateful to genuinely let them go.

We're grateful to open ourselves to all the opportunities to love and be loved. We are grateful to open ourselves to all the opportunities to be peaceful and harmonious and centered.

So grateful that we are centered in the Love of God now and forever. So grateful to simply be able to rise up, setting ourselves free. We're truly letting ourselves be peaceful and harmonious.

Prayer for Today

with Jennifer Hadley

We are grateful to give away the grievances, give them to the Holy Spirit for heavy lifting, and we share the benefits with everyone everywhere because we are eternally one with them.

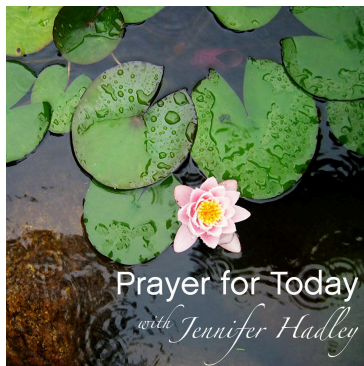

We let it be, and so it is. Amen, amen, amen.

Oh yes, very grateful.

Thank you for being my prayer partner today, and thank you for being willing to give up the grievances. It's not easy, but it's so worthwhile.

And what else is going on is I have a free forgiveness workshop this Saturday. It is the day before Mother's Day, so I had this feeling like that might be a good time, and I invite you to join me for this wonderful workshop.

I love it, and I love you. Have a powerful and beautiful day, absolutely giving the grievances away.
