Prayer for Releasing the World

Hello beautiful, this is Jennifer Hadley and our prayer for today is for releasing our attachment to the world.

Releasing our attachment to what's happening in the world, what's not happening in the world - oh my goodness, we're releasing the attachments we have to thinking that what's going on in the world is right or wrong or good or bad.

We are simply releasing our attachment to the world.

We're grateful to place our hand upon our heart and to open ourselves to a new way of seeing, a new way of being, without this attachment to the world and what's going on in the world.

We're losing all those attachments. We are setting ourselves free of those attachments.

We're allowing ourselves to live a life of love and joy and freedom without these attachments to the world and what should be happening, what should not be happening.

We are grateful to open ourselves to the deep peace of God and to know that all is well, despite any appearances and the meaning that we make of them.

So grateful to go back to the beginning of the lessons in A Course in Miracles and recognize how fully and completely supported we are in these lessons and in the invisible.

That God is always for us. Life is always with us, and nothing is against us, no matter how it seems.

We are grateful to open our spiritual eye to see and know and feel that what's going on in the world is not something we need to be attached to.

We can be neutral and we can see it correctly.

And so we're grateful to take loving action where we're inspired to take loving action.

We are grateful to share and extend this healing and this life of love that we are living. We share it with all of our brothers and sisters because we are one with them.

So grateful to release the world from our judgments and our complaints.

We share the benefits with everyone everywhere because we are eternally one with them.

We let it be, and so it is.

Amen.

So good.

Thank you for praying with me today. Thank you for being my prayer partner today.

And what's going on this weekend? Sundays with Spirit is canceled because of the holiday weekend. I'm taking Sunday off.

So that's what's going on.

Also what's going on Monday is the early bird bonus for "Change Your Mind About the World" expires on Monday. So the bonuses are actually worth more than we're charging for the class, so I encourage you to sign up for that early bird bonus.

And "Change Your Mind About the World" starts on the 30th.

So this is the program with Lisa Natoli, Alan Cohen, James Twyman, Michael Mehrdad, and myself.

And I'm so excited for what we're doing - changing our mind about the world. Very worthwhile. Deeply healing.

That's what's happening.
