Prayer for Relying Upon Spirit

Hello beautiful, this is Jennifer Hadley, and our prayer for today is for relying upon Spirit. Yes, relying upon our own holiness. Yes, relying upon all that is holy. Yes.

So we place our hand upon our heart, and we are grateful, truly grateful, that we can place our faith and trust in Spirit. We are grateful that our mind is the Mind of God, and we are only subject to what we hold in our mind. And so we're only interested in holding onto thoughts of unity - unity of all life, unity, oneness with Spirit.

So grateful to remember that we are part of an infinite intelligence that is perfect Love, and so are we. So grateful to remember that we're already as holy as holy can be. So grateful to recognize that right where we are, there's an infinite intelligence that is available to us. It's the ultimate AI because it is Absolute Intelligence, it is Infinite Intelligence.

So grateful to allow ourselves to tune in and tune up, and to rely completely and totally on Spirit for our life and for whatever is needed for our life. So we're giving up the ways in which we might have been blocking the flow of Love and Life and all things good, and we're opening ourselves to receive.

We're relying upon Spirit, and we're being receptive, being available, allowing Spirit to flow through our heart and mind, flow through our conversations and activities. We are grateful to say yes to the perfect Love of God as our very own, sharing the benefits with everyone everywhere because we are eternally one.

We're relying on Spirit now and forever for all things good, and recognizing we are worthy. Amen. Oh man, oh man, yes.

Prayer for Today

It's so good to pray every day, so good to be prayer partners with you. So grateful that we can be. Yes, I am grateful. Thank you.

All right, what's going on? Well, we are passing the halfway mark in the Living A Course in Miracles series. I really appreciate everybody who's showing up, and we've got hundreds of people showing up and they are enjoying it. It's quite wonderful. I feel so blessed to be a part of it myself.

And it's not too late. We've got four more classes - two today and two tomorrow - so come and join us. Everything's free, and you can go to powerofloveministry.net. It's easy to find the Living A Course in Miracles classes there. We're cultivating a peaceful mind.

And today's class is with none other than John Mundy. Tomorrow is Lisa Natoli, so it's going to be a great weekend of connection.

I love you. Have a powerful day relying upon Spirit.
