Prayer for Remembering Love Is All

Hello beautiful, this is Jennifer Hadley and our prayer for today is for remembering that love is everything.

Love's everything. Love is all, and love is what we are.

So grateful to know that is so. So grateful to place my hand upon my heart and to say yes to love.

Love is everything that matters. Love is all. Love is the healer, and we are willing to remember the truth about love, the truth about ourselves because love is what we are.

So grateful to anchor ourselves in the fullness of God's infinite love as our life and being.

So grateful to relinquish any idea that we're unworthy of love - or that anyone is. Yes, how could we be unworthy of what we are?

So we're accepting what we are and knowing that we are worthy of the love that we are, that we are already as holy as holy can be.

We're willing to remember this. We're willing to remember our innocence, our magnificence, our perfection, our wholeness.

So grateful to relinquish any and all attachments to playing small, living in lack and limitation.

So grateful to remember that love is what heals our mind. Love is what lifts us high. Love is the very truth of our being.

And so we are grateful to put our focus and our attention on love, on being loving, on extending love, sharing love, knowing the truth about ourselves and our brothers and sisters.

So grateful to relinquish the stories we've made up. The sense of lack and limitation falls away.

We're grateful to rise up and share the benefits with everyone everywhere because we are forever one.

In gratitude, we let it be, and so it is.

Amen. Amen. Amen.

Oh yes, so good. So grateful. Love is everything.

Thank you for praying with me today and being my prayer partner. I appreciate you so much.

And what is coming up? Sundays with Spirit on Sunday, Monday Forgiveness Workshop, and then a week from Saturday on the 30th is the beginning of the "Change Your Mind About the World" program.

So if the world is getting you down, let's change our minds together.

Alan Cohen, Michael Mehrdad, Lisa Natoli, James Twyman, and myself - we're gonna be steeping ourselves in the teachings of A Course in Miracles and moving beyond the illusion and seeing what's real and what's true.
