

Prayer for Today

with Jennifer Hadley

Prayer for Seeing the World Correctly

Hello beautiful, this is Jennifer Hadley, and our prayer for today is for seeing correctly - seeing the world correctly. We are cultivating a clear vision of what's real and what's true.

We take a breath, hand on our heart, a breath of gratitude. We're lifting up. We're focusing on Love. Love and gratitude. And we are interested in seeing the world correctly. We are willing to see the world correctly.

We are willing to surrender our attachment to our perspective, to our view of the world. We are grateful to allow ourselves to anchor into what's real and what's true, and release attachments, fascination, and hypnotism by what is false in the world.

We are willing to anchor into the Love, the peace, the joy that we'd like to experience in the world. We are grateful to see the world correctly, to see it through the God-view, and to give up our limited view and our projections of hatred and pain and suffering.

We are willing to open ourselves to a joyful view of the world. We are grateful that we are able to open our hearts and open our minds to see with God's vision of the world - to see the new Earth and the new Heaven - and to allow our mind to truly anchor in it.

Prayer for Today

with Jennifer Hadley

We are grateful to give ourselves over to this vision of the new Earth and the new world of Love and peace and harmony. So grateful to share the benefits with everyone everywhere because we are eternally one with them.

We allow it to be, and so it is.

Amen. Amen. Amen.

So grateful to give up that false view and anchor into God's infinite vision for this world, for our heart and mind. So grateful for your prayer fellowship. Thank you for joining me today.

And what's coming up is the Change Your Mind series that begins on Saturday the 30th. It kicks off with a 2½-hour workshop with me. So we're changing our mind about the world, seeing the world correctly. And then for the month of June, on Thursdays, we have classes with Alan Cohen, Lisa Natoli, Michael Mehrdad, and James Twyman. So it's a powerhouse, and I hope you'll be joining us.

All right, that's what's coming up. Oh, plus in June, the Deep Dive topic is Family Liberation - just in time for Father's Day.

So that's what's coming up. I love you. Have a powerful day seeing the world correctly.
