Prayer Becoming A Spiritual Leader

Hello beautiful, this is Jennifer Hadley and our prayer for today is for becoming a spiritual leader of our family.

Oh yes - why not? If you're ready to lead your family with love, this is the prayer for you.

We place our hand upon our heart and we take a breath of love and gratitude. So grateful, so grateful that our mind is the mind of God now and forever. So grateful to open ourselves to infinite wisdom flowing in our awareness. So grateful to allow ourselves to rise up and recognize the kingdom is within, and we can extend that kingdom, share that kingdom, with all of our brothers and sisters - and most especially our loved ones, our family, our friends, our community.

We are grateful and thankful to open ourselves to receive the gifts of God today and to share them with everyone we meet, everyone we meet in consciousness as well as in the world.

We are grateful, we are grateful to open ourselves to the unlimited flow of wisdom and intelligence, and to recognize that it's possible to be very kind, very peaceful, very harmonious, very loving - without being codependent at all.

We are grateful to learn these skills of liberation, these skills of dynamic goodness, these skills of perfection, innocence, and beauty. To allow ourselves to truly fly free of the past, to let go of

the resentment and the regrets and anything that would keep us from being the spiritual leader of our family.

We are leading with love, we're leading with kindness, we're leading with laughter. So grateful to develop these skills, these capabilities, to remember the truth of our being and to remember the truth of everyone else.

So grateful to set ourselves free and share the benefits with everyone everywhere, because we are eternally one. We let it be, and so it is.

Amen. Amen. Amen.

Yes, amen. Ha ha. Victory. Yes.

Thank you for praying with me today, I so appreciate it. Oh my goodness, what a great day it is to pray.

OK, what is going on today? Sundays with Spirit - all are welcome.

This coming week we have Lisa Natoli's class in the Change Your Mind About the World program. It's not too late to join - all the details at Power of Love Ministry.

And then on Saturday I'm doing my Deep Dive Workshop for June, and the topic is Family Liberation. Yes, Family Liberation! It's Father's Day month, so we're doing the Family Liberation Deep Dive Workshop.

And then Father's Day weekend I'm doing two FREE Forgiveness Workshops.

And then at the end of the month, the last Sunday of the month, we're starting the End My Self Sabotage program. So if you have issues with self-sabotage, self-medication, or obsessive-compulsive behavior, this is the program for you.

And I'm so happy that I get to share all of this with you.

May you have an extraordinary today, being the spiritual leader of your family and developing that leadership skill.

I love you.
