## Prayer for Being Receptive to Love and Support

Hello beautiful, this is Jennifer Hadley, and our prayer for today is for being receptive to love and support.

Yes. Oh my goodness, yes.

Let's place our hand on our heart and become so receptive and available to love and support.

We're opening our hearts and minds to the love and support that is always livestreaming, always available.

The entire universe is offering us love and support in many different ways, and we can accept it or reject it. That's our call.

We get to, in this very moment, increase our receptivity to love and support.

That's what we're choosing right here, right now - to make ourselves so receptive, so available to the love and support that is being streamed upon us at all times by the universe.

We are grateful and thankful that there are an infinite number of opportunities to accept and receive love and support.

We are grateful to surrender any idea that we're not loved or we're not supported.

We're putting that idea right in the trash.

We are grateful to clear that mental and emotional clutter, those false beliefs that keep us playing small and living in lack and limitation.

So grateful to open ourselves, open wide, to the love and support that God's life of love is always offering us.

So grateful to allow ourselves to truly receive, to truly accept, and know and feel the love and support that God has for us at all times.

So grateful to let go of the blocks to love, to let go of the blocks to real and tangible support.

We are accepting the love and support here and now.

We share the benefits with everyone everywhere because we are forever one with them.

We let it be, and so it is.

Amen. Amen.

Amen.

So good.

Yes.

Thank you for joining me in prayer today.

Thank you for your willingness today.

I'm grateful for my own willingness.

Yes.

All right, what's going on?

I am so excited about the Counseling Intensive that's coming up.

This is the most healing thing I do or offer in any given year.

I haven't offered it in a couple of years, so if you are interested in a deeply healing experience, come and join me in Asheville, North Carolina, July 12th to the 18th, for a deeply healing experience.

All the details of the Counseling Intensive are at [powerofloveministry.net](http://powerofloveministry.net).

And in the meantime - oh, and Marc Anthony Lord and I are doing a free Q&A on Wednesday.

If you have any questions about this program or any program we are offering, book an exploratory call with one of the Quantum Counselors.

They are free calls, and they can answer any question you would like to have answered because they have done most of our programs, and certainly all the counseling ones.

I love you.

Have a powerful and beautiful day accepting the love and support that's coming your way.
