Prayer for Being the Light

Hello beautiful, this is Jennifer Hadley and our prayer for today is for being the light - being the light of perfect love, being the light of God's infinite goodness. Being the light, being the light.

Oh yes - if you're ready to let your light shine, this is the prayer for you.

So we place our hand upon our heart and we are grateful and thankful that it is our nature to be light-filled. We are Self beings, naturally expressing, generating, and living in the light - the light of God, the light of truth.

So grateful and thankful that this is the truth of our being. That our mind is the mind of God, our life is the life of God, and it is our destiny to shine the light of the Christ into every aspect of our life and being.

We're liberating from lack and limitation. We're liberating from playing small. We're liberating from self-hatred and condemnation. We are truly letting go of any attachment that disturbs our peace.

We're opening to an awareness that we walk with mighty companions, invisible and indivisible, that the whole universe is in support of our life of love - and we are grateful to recognize this is the truth.

We're grateful to stand in the light of truth and to be that light-filled presence in our family, in our workplace, and in all of our relationships and connections.

We're so, so grateful to allow ourselves to truly be expressing the light of God's love. So grateful to share the benefits with everyone everywhere, because we are eternally one with them. So grateful to give ourselves this gift and to extend it to everyone. In gratitude, we let it be, and so it is.

Amen. Amen. Amen.

Yes, so good. Thank you for praying with me today. Thank you for being my prayer partner. I love and appreciate you, I do, I do.

OK, what is going on? What is coming up? Sundays with Spirit is today.

And then next weekend - not today, but next weekend, Saturday and Sunday, Father's Day weekend - I'm doing FREE Forgiveness Workshops both days. They're totally free. Come join me. Let's be that healing point in our family.

And then at the end of the month, we start my End My Self Sabotage program, a six-week program. If you know you're sabotaging yourself with anything, with the choices you're making - if you have issues with self-medication or other forms of self-sabotage - this is the program for you. You're gonna be so glad that you did this. I used to struggle with self-sabotage, an epic struggle, and not anymore. So grateful to have transformed that.

And then in July, mid-July, we're doing the Quantum Counseling Training Intensive, and all are welcome. This is a tremendous opportunity to gather for a week together in Asheville, North Carolina, at a beautiful resort, where we'll do deep healing and clearing work and develop skills

with our intuition and with our ability to compassionately listen to our brothers and sisters. So this is for anyone - anyone who'd like to develop these skills and have a professional training. Maybe you've thought about being a counselor but you aren't sure - this could be a tremendous opportunity for you, and I'd love to do the work with you in person. It's so much fun, and you'll make friends for life. So come on down, come and join us.

All the details are at Power of Love Ministry - I invite you to check out everything that's coming up there.

I love you. Have an amazing and beautiful day, being the light of the world.
