## Prayer for Ending Our Suffering

Hello beautiful this is Jennifer Hadley and our prayer for today is for ending our suffering willing to put it into it we're willing to release whatever it is that keeps us suffering. We're willing to say I've had enough and we are tuning into that higher Holy Spirit, self with our love in our gratitude, taking that breath, placing our hand upon our heart we are grateful to rise up and to consciously declare, we are putting it into our suffering we are grateful that we do not have to know how to figure it out, we don't have to know the details and we do not have to analyze the situation. We are holy and completely depending upon that higher Holy Spirit self for our healing, we are grateful that we are worthy of miracles and miraculous healing so we are entitled and we're worthy to miraculous healing and we're calling at fourth and accepting it right now so we're allowing the root causes of suffering to be healed in our consciousness so that we're not perpetuating them anymore. We're not passing them on and we're not making them real and valid anymore we are not victims. We never have been victims and we are grateful to recognize that we can change our mind about any aspect of our life at any moment and we do we go the other way we choose to recognize that we are empowered by love itself because love is our true identity we are grateful to recognize that there is an endless infinite supply of God's goodness God's love God's intelligence and we're tuning into it so we have everything we need and we're allowing it to flow and we are being led and guided to the highest and best choices because that's what we're interested in. We're not interested in complaining about the past
