## Prayer for Extending Love

Hello beautiful, this is Jennifer Hadley, and our prayer for today is for extending Love.

Yes, to have, give all to all.

We are grateful to place our hand upon our heart, so grateful that Love is what we are, and we don't have to remake ourselves.

We're already perfect.

We're already innocent.

We're already everything good.

We're already there.

And we are grateful to love, to allow ourselves to fully love, to let go of the blocks to Love, to let them dissolve and resolve permanently so we never experience them again.

We're opening ourselves to the full capacity for extending Love.

We're sending the Light of God all around the world.

We extend Love and light to everyone we know and everyone we don't know.

We are grateful to extend Love and light to all beings and to participate in a global healing.

We are grateful and thankful that it is our prerogative, it is our nature, it is our destiny to extend Love to all.

So grateful to be in this tremendous flow of Love and light and to allow ourselves to be lit from the inside.

The Christ Light shines in our mind, in our conversations, in our activities.

We are opening ourselves to new expressions of Love and light and extending them to everyone everywhere because we are eternally one, forever one.

We are grateful for the gifts of God today, and there's no greater gift than our very being.

We are made in the spiritual image and likeness of perfect Love.

We are perfect Love already.

We accept it, we share it, we extend it, and we let it be.

And so it is.

Amen. Amen. Amen.

Yes, yes, so good.

Thank you for praying with me today and being my prayer partner.

I appreciate you.

I'm grateful for our connection.

OK, what is going on is coming up on Saturday - Family Liberation. That's the Deep Dive topic for June.

And then the next weekend is Father's Day weekend. I'm doing two forgiveness workshops, one on Saturday, one on Sunday.

And then what else?

Oh, Spiritual Counseling - Quantum Counseling Training Intensive in Asheville, six nights, seven days.

This is going to be a powerful healing experience, and I am encouraging you to make the time, make the commitment, come and do this extraordinary healing with us.

Truly, this is a life-changing opportunity, and I don't do it every year in person.

So come and join me in person along with Marc Anthony Lord, and we're gonna have online sessions with Alan Cohen, Lisa Natoli, Jon Mundy, and more.

So come on down.

This is July 12 to the 18th.

It's a rare opportunity, and I'm super excited for it.

So I hope to see you soon.

And I love you.
