## Prayer for Focusing on Healing

Hello beautiful, this is Jennifer Hadley, and our prayer for today is for focusing on healing.

Let us place our attention on healing.

Let us place our attention, our focus, on rising up and living in our true identity.

Our true nature is perfect Love. It always has been. It always will be.

We are willing to remember that now and value that now, and to recognize it in our brothers and sisters and to see them for what they truly are.

We are grateful to place our hand upon our heart and take these breaths of gratitude and Love to lift us high.

We're grateful to open ourselves to infinite intelligence, pure Love, light.

The power of Love within us is awake and alive.

We are grateful, grateful to call forth the grace of God into our heart, into our family, into our relationships.

We're focusing on healing, being that point of healing in our family, that heart center of healing in our family, that fulcrum point of healing in our family.

We're grateful to call forth mighty healing, a transformation of all the relationships in our family into holy relationships.

So grateful that it is our destiny to live in healed, wholesome relationships.

We are grateful to surrender attachments to all the thoughts and beliefs we've had about ourselves and our loved ones that are simply false.

We are grateful to anchor into the truth and to truly love the truth.

We share the benefits with everyone everywhere because we are one with them.

In gratitude, we allow this healing to fully be made manifest, and so it is.

Amen. Amen. Amen.

Yes, let us be that heart-centered fulcrum point of healing.

Yes.

Thank you for praying with me today and being my precious prayer partner.

I appreciate you.

And what is coming up is Saturday - my Family Liberation Workshop.

That's my Deep Dive Workshop topic - Family Liberation.

So come and join me on Saturday.

And Sundays with Spirit is on Sunday.

And there's always more to come.

We have the End Self-Sabotage Program beginning at the end of the month. I think it's June 28.

And things are happening.

Love is being revealed.

We share the benefits with everyone.

We do, we do, we do.

And what else is coming up?

The Quantum Counseling Training Intensive - live and in person in Asheville in July.

All are welcome.

And I know there are more things, but that's it for right now.

I love you.

Have an amazing and beautiful day being that place of healing.
