Prayer for Harmony and Peace

Hello beautiful, this is Jennifer Hadley, and our prayer for today is for harmony and peace.

So we begin with gratitude because that lifts us up above the battlefield.

Gratitude lifts our vibration high.

Love opens our heart.

So we're choosing to focus on love and gratitude in order to live a harmonious and peaceful life.

We are choosing to be in the flow of God's infinite intelligence, infinite wisdom, bringing us to peace and harmony once again.

So grateful in this moment that it is natural for us to be in a peaceful and harmonious state.

It is natural for us to be experiencing God's infinite intelligence flowing in our awareness.

This is our natural state, and we are grateful to claim it.

We are willing to give up whatever blocks the flow of love, whatever blocks the flow of wisdom and intelligence.

We're opening ourselves to real clarity.

That inspiration is ours, and we are claiming it.

We're allowing ourselves to let go of the habits of the mind that disturb our peace and block our experience of harmony.

We are grateful to freely surrender any attachments we have that disturb our harmony and peace, to open ourselves to all this clarity, all this wisdom and insight.

So grateful for the inspiration of God flowing in our life and in our conversations.

So grateful to be renewed in the Spirit, renewed in harmony and peace.

We share the benefits with everyone everywhere because we are fully one with them.

In gratitude, we let it be, and so it is.

Amen. Amen.

Yes, yes, yes.

Ha ha ha.

Thank you for praying with me today.

Thank you for being willing to really experience peace and harmony.

It's such a blessing.

I'm glad we get to share it together.

Yes.

And what is coming up?

A couple of things.

One is tomorrow there's a Q&A for anybody who has questions about the Counseling Intensive that's coming up in July.

And if you can't make it on Wednesday, tomorrow, then you can always sign up for a one-on-one exploratory call with one of the Quantum Counselors, who can answer any and all questions you have about the Counseling Intensive or any other program we have.

And then the Counseling Intensive, July 12th to the 18th in Asheville, is an extraordinary event.

I've never even heard of anything like this.

So we've got all these wonderful *A Course in Miracles* teachers, and we are talking about counseling, one-on-one counseling.

The experience at the Intensive is a deeply healing one, so people come for all kinds of reasons - to polish their skills, their intuition skills, their listening skills, their conversation skills, to make new friends.

But a lot of people just come for the personal healing that this weeklong program is.

We are welcoming you, and I'm telling you, even if you have no idea of doing this as a career, this is a powerful healing experience.

And if you're thinking about doing this as a career, this is a great way to find out if it really is for you or not.

So lots of good is happening, and I hope to see you soon.

I would love to have you join us in Asheville.

Have a beautiful, blessed day of peace and harmony.
