## Prayer for Holding the Vision of Healing

Hello beautiful this is Jennifer Hadley, and our prayer for today's for holding a vision of healing yes, most specifically for our family for our loved ones but for the whole world we're holding a vision of healing in our heart because our heart is the heart of God our mind is the mind of God, and we place our hand upon our heart, reminding ourselves that we are wholeheartedly available for healing we are grateful to call for the mighty and powerful healing and transformation. We are grateful to transform our consciousness from any sense of withholding or regret or guilt or blame or shame in bringing it back to innocence perfection wholeness so grateful so thankful to allow ourselves to truly embrace and hold this vision of healing for ourselves in our family. We are holding a vision of joy we are holding a vision of freedom, peace and harmony were allowing ourselves to envision our life of love and all of our relationships with peace and with harmony with happiness and a deep sense of all is well. We are grateful and thankful to open ourselves to a beautiful vision of love and healing in our relationships in our community in our family, and in our activities were giving ourselves over to this vision of love this vision of peeling we are sharing the benefits with everyone everywhere because we are forever one with them we allowed to be, we allow it to unfold with ease them with grace and in gratitude we know it's Done and so it is amen amen. Amen. Yes, yes, thank you for praying with me today and holding that vision of healing in your family powerful all right what is going on today?
