## Prayer for Learning Thru Joy

Hello beautiful, this is Jennifer Hadley, and our prayer for today is for learning through joy.

And oh my, we are grateful that we can learn through joy, and we are choosing to learn through joy instead of through falling down and getting up.

We are choosing to learn through joy rather than struggling and working hard.

We are choosing to learn through direct insight and inspiration, divine downloads flowing in our awareness.

So we place our hand upon our heart, and we are grateful to open ourselves to all manner of insights and inspiration.

We allow ourselves to be the great receivers of inspiration, great receivers of divine ideas and downloads.

We open ourselves to receive all the guidance that God has to give us, and we're open, we're available.

So grateful to learn through joy, learn through direct insight and clarity.

Inspiration is flowing in our heart and in our mind, and we are so available for it.

So grateful to give up any idea that we need to suffer or work so, so hard or be struggling and having a difficult life.

We're opening ourselves to the beauty of God, infinite Love flowing in so many beautiful ways that we can't even begin to count them. They're just continuously flowing.

We're learning through joy.

We're opening to joy, opening to new insights that bring even more miracles.

So grateful to share the benefits with everyone everywhere because we are forever one with them.

In gratitude, we allow it to be, and so it is.

Amen. Amen.

Oh, that just is so sweet.

What a sweet prayer.

Thank you for sharing this sweetness with me today. Thank you for being my prayer partner. I appreciate you. Grateful.

OK, what is going on here?

Change Your Mind About the World - the first class is tomorrow. That's with Alan Cohen.

I love any opportunity I get to be with Alan, to connect with Alan, to share with him, so that's wonderful.

And you can still register for Change Your Mind. You'll get an instant download of the first workshop, and you can attend the first class.

And what else? Oh, and you can still get the bonus of a month of Sacred Circle with me.

And that is what's going on.

And then a week from Saturday is Family Liberation, my Deep Dive Workshop for the month of June.

Registration for the Quantum Counseling Training Intensive is open, and that's in July.

And all the details are at [Power of Love Ministry](#).

I sure hope I get to see you soon.

Lots going on, many good things.

We are staying high above the battlefield, and we're doing it together.

I love you.

Have a powerful day learning through joy.
