Prayer for Loving Understanding

Hello beautiful, this is Jennifer Hadley and our prayer for today is for loving understanding - always a good thing to have plenty of, and especially today, Father's Day. So whether you're a father or you have a father - everybody has a father - let's cultivate some loving compassion for ourselves, for our fathers, and for everybody else. Oh my gosh.

Oh yes - if there's a relationship that could use some compassion, this is the prayer for you.

We place our hand upon our heart. We are grateful and thankful to open ourselves to the heart of God, to the loving, compassionate heart of God. We are grateful to cultivate the capacity to have loving understanding - that's what compassion is, loving understanding - for all of our brothers and sisters, and most especially for the people in our life who are closest to us.

We are grateful to open ourselves to surrender our attachments to grievances, grudges, and complaints. We are grateful to open ourselves to new insight, clarity, and wisdom regarding all of our relationships and our relations.

We are grateful to cultivate the ability to hold our relationships in the light, in the light of love, and to relinquish the burden of our opinions, our judgments, our complaints. We are grateful to set ourselves free by cultivating the compassionate, loving heart, the understanding heart - the heart that doesn't need to be right about everything, or even anything.

We are opening ourselves to infinite intelligence, pure love and life, and allowing it to flow easily, gracefully, fully, and completely. We're saying yes to all this love, all this light - in our heart, in our mind, in every part of our life. We are saying yes to loving understanding, giving ourselves over to what's possible for us, the highest, most loving life. That's what we're cultivating.

We're opening ourselves to joy - real joy, joy that's unfettered, joy that's unshakable - the peace of God, the prosperity of God. We're welcoming it all, and allowing ourselves to fully live in this space of non-attachment, love, joy, peace, wisdom, harmony - so much good flowing in our mind, in our consciousness, and in our conversations.

We're sharing the benefits with everyone everywhere, because we are eternally one. We're blessing our fathers, blessing our relations, blessing ourselves. We let it be, and so it is.

Amen. Amen. Amen.

Yes, so much. Yes. Thank you for being my prayer partner and praying with me today. I appreciate you.

And what is coming up? Today, Sunday, there's a FREE Forgiveness Workshop at 10 o'clock Eastern - that's in the morning - and then in the afternoon, Sundays with Spirit. I'll be there.

And then the main thing we have coming up is the Quantum Counseling Training Intensive. I've been doing these for about 14 years - they are such a deep healing experience, and that's why they're open to anyone. Yes, it's a professional training, but I'd say half the people who come aren't necessarily there for the professional training - they come for the healing and the fun of it, and to get to be in person together, at a resort together, to really enjoy ourselves. So come for the camaraderie, the fun, the healing - there are many, many reasons to attend.

And if you happen to think you might be a good counselor and you'd like to just test it out - is it something you'd like to do? - this is a perfect place for that. And believe it or not, it's a perfect place for somebody who's been a therapist for 30 years. I've had so many different kinds of people come for different reasons, and it's all good.

So all the details are at Power of Love Ministry. And also, at the end of the month is my End My Self Sabotage program - I'm inviting you to that as well. Lots of great things happening at Power of Love Ministry.

I hope to see you somewhere soon. Have a beautiful, blessed day of loving understanding.
