Prayer for Opening to the Support of the Universe

Hello beautiful, this is Jennifer Hadley, and our prayer for today is for opening to receive the support of the Universe.

Yes, let us open to receive every bit of support there is for us. Let us welcome that support.

We are grateful and thankful to allow ourselves to fully and finally discover just how loved and beloved we are, just how supported we are. We're opening ourselves to a clear awareness that the Universe is always working for us, never in opposition, never against us.

Yes, everything is working for us. Everything is helpful, and we are getting out of the way. We are receiving that assistance, that help, that support, that love.

We are grateful to stop questioning it and to stop avoiding it. We're allowing that love and support from the Universe to flow into our life, into our conversations, into our activities, and into every cell, fiber, function, activity, organ, and system of the body temple.

We welcome the support of the Universe. We call it forth, and we allow ourselves to fully receive it.

So grateful that once we receive it, we can turn right around and extend it, share it. This multiplies it.

So we are in a tremendous position to increase the flow of good in this world by being so receptive to the support of the Universe and turning around and sharing it, which costs us nothing.

So grateful and thankful. Glad to have, give it all to all, and so we can do that.

We are grateful to give and to receive. We are grateful that our mind is the Mind of God, and we are even now receiving divine insight and inspiration. We share the benefits of it with everyone everywhere because we are forever and eternally one.

In gratitude, we allow all this healing, all the support, all this dynamic goodness, and we let it be. And so it is.

Amen, amen, amen.

So good to be receptive. We don't need to hide or isolate. We can simply be receptive and available.

Thank you for praying with me. Thank you for anchoring this truth together with me. I'm so grateful. Love, love, love you.

And what is going on is Father's Day weekend is coming right towards us, and I am doing two Forgiveness Workshops this weekend for Father's Day. So Saturday and Sunday - two powerful healing workshops. Come to one, come to both. They are free. Tell your friends. Bring others. Let's do this healing work together. I'm excited for it.

Now is the time. Let's not waste another minute being distracted, and let's open to receive all the support of the Universe.

What else is going on? At the end of the month, my End My Self-Sabotage Challenge. So if you know you're sabotaging yourself, if you're suffering with self-medication of any kind, if you feel like you're in your own way and you can't seem to get out, then this might be the program for you. It's a six-week program, and it is deeply healing.

Also deeply healing is my Quantum Counseling Training Intensive. It's in person. It's a week-long training. It's in Asheville, North Carolina, at a beautiful resort, and we are going to be doing a huge amount of healing.

We have wonderful guest teachers. So besides myself, there's Marc Anthony Lord, and on Monday, Lisa Natoli and Alan Cohen.

So come and join us for a deeply healing experience.

And if you have any interest in being a counselor, this might be a way to kick it off and help you decide whether or not this is something you're interested in. There's no obligation.

Also, if you are a coach or a teacher, or you work with clients as an attorney, an acupuncturist, an accountant, or in any other profession, this is a great training to support you in having a better working relationship with your clients.

So lots of benefits.

All the details at powerofloveministry.net.

I hope to see you soon.

I love you.
