Prayer for Rebooting Our Relationships

Hello beautiful this is Jennifer Hadley and our prayer for today is for rebooting our relationships yes it's always good to reboot to refresh to renew to restore oh yes, so let's place our hand upon our heart and rejoice that we are awake and aware and we see the opportunities to reboot to renew to restore to revitalize our relationships and to open our hearts and minds to a flow of love that is that renewal is that restoration that yeah, love is what we are so this is why love is so refreshing and so renewing we are rebooting our relationships with more love, more compassion, more patience, more kindness, being generous from the heart not giving to get but giving from the overflow of God's infinite inspiration that is always awake and alive within us, we are grateful and thankful to join together in this holy instant and to declare our willingness be that full point of healing in our relationships in all of our relationships we're giving ourselves over to the wisdom of the Holy Spirit, the wisdom of our true identity so grateful that love is wisdom love is wholeness love is our freedom and we are claiming all of that and so much more it's very moment we're allowing ourselves to participate in a flow of love that is always unprecedented were allowing ourselves to be in a flow that is deeply healing and nourishing at all levels so grateful to give ourselves this opportunity for rebooting our relationships, and renewing and restoring our own experience of divinity, we share the benefits with everyone everywhere because we are eternally one we let it be and so it is amen amen.
