Prayer for Spiritual Sight

Hello beautiful, this is Jennifer Hadley, and our prayer for today is for spiritual sight.

To be able to see with the mind's eye and to see with clear vision - oh, so helpful, so helpful.

We place our hand on our heart, and we are grateful to choose love, to choose love, to place our attention on love.

We are willing to step into unconditional love in our relationships.

We're opening our heart to the fullness of God's infinite love in all of our relationships.

We are grateful to give up withholding love and withholding kindness. It's not a part of our life anymore.

We are opening ourselves, stretching ourselves, because we're seeing with God's vision. We're seeing with spiritual sight.

We're recognizing our projections are just that, and we don't always actually see what's there. Sometimes all we do is see what we think we see. It's our projection, so we're willing to take responsibility for it.

We're willing to bring it to the light and see clearly.

We don't have to understand any of the details of it in order to be willing to see with God's vision, to have spiritual sight, and to recognize our errors in the past and correct them with love and compassion now.

We are grateful to open our hearts to true love, real love, and to real forgiveness.

So grateful to allow ourselves to release the grudges and complaints of the past and to step into the unconditional, unprecedented, compassionate love that's possible now.

Always now.

We share the benefits with everyone everywhere because we are eternally one.

We let it be, and so it is.

Amen, amen.

Amen.

So good.

Oh my goodness, so good.

Ha ha ha.

Thank you for praying with me today.

Happy almost Father's Day.

Prayer for Today

with Jennifer Hadley

I just released a podcast episode in time for Father's Day, so I wanted to say that before I forget.

And thank you for being my prayer partner.

Thank you for being prayerful and being willing to do this work alongside me.

I appreciate you, and I appreciate our fellowship and companionship.

What else is going on?

Forgiveness Workshops too this weekend because it's Father's Day.

I'm going all out to be a support, so I hope you'll come and join me. Invite others to join us.

And all the details, of course, at powerofloveministry.net.

The End My Self-Sabotage program starts at the end of June, the last Sunday in June.

And my Quantum Counseling Intensive is coming right up. It's July 12th to the 18th.

And if you think you're going, book your hotel while the rate is still available.

And yes, come and join us.

We are gonna have a heck of a time. It's so much fun when we do this, and it's so great to be in person for a week and have all that time together.

It is a deeply, profoundly healing experience for everyone there.

A lot of people come just for the healing experience, so you don't need to want to be a counselor, although you might be exploring it, or maybe you've been a counselor for 30 years

and you're ready to add some new aspects to it, open your intuition, and become a better compassionate listener.

Many different reasons for coming. They're all good, and I hope to see you there.

I love you.

Have an amazing day with God's vision.
