## Prayer for Strong Spiritual Practice

Here is the formatted transcript:

Hello beautiful, this is Jennifer Hadley, and our prayer for today is for a strong spiritual practice.

A strong spiritual practice that brings a miraculous life.

So we place our hand upon our heart, and we are grateful to open our mind to a spiritual practice that is easy, that is harmonious with our lifestyle, that brings our awakening closer every day, that lifts us high.

We are grateful to surrender any resistance or reluctance to have a deep and powerful spiritual practice that truly works for us all day, every day.

We're opening our heart. We're opening our mind to the truth and letting go of the false.

So our spiritual practice is mighty. It is strong, and it is graceful. It's harmonious. It's a natural fit for our life and our lifestyle.

We're grateful and thankful that it is not difficult or hard to have a strong spiritual practice.

We choose a practice that is truly adding more ease and grace to our life.

We are grateful for a strong spiritual practice that brings our mind closer to the truth and assists us in letting go of any attachments to the false.

We're awakening from the dream of separation. We're allowing ourselves to fully recognize with such love that the truth is embedded in our nature, that it is natural for us to live a miraculous life.

And so we're grateful to share the benefits of our healing with everyone everywhere because we are eternally one.

We allow it to be, and so it is.

Amen, amen.

Oh man, yes.

What a sweet prayer.

Thank you for being my sweet prayer partner.

Yeah, ha ha ha.

I appreciate you. Thank you.

All right, what is going on is this weekend - two Forgiveness Workshops, one Saturday, one Sunday.

And then Sunday, yes, I will be at Sundays with Spirit.

We have Father's Day. It's Father's Day, and we are celebrating our Spiritual Father and our Spiritual Mother too.

We're opening ourselves to infinite wisdom.

Yes, that is what is happening this weekend.

We have other things coming up.

The End My Self-Sabotage program starts at the end of the month.

And the Quantum Counseling Training Intensive - we just added Michael Mehrdad to the faculty.

We're going to have a wonderful week together in Asheville, North Carolina, and you are invited for a deeply healing, miraculous experience, being led in person by me and Marc Anthony Lord.

And then we've got John Mundy, Lisa Natoli, Alan Cohen, and Michael Mehrdad online.

Good, good.

And yeah, I know there's always more, but that's what I have for you now.

I hope to see you soon, and I love you.

Have an amazing day deepening your spiritual practice.
