Prayer for Walking the Talk

Hello beautiful, this is Jennifer Hadley, and our prayer for today is for walking the talk.

We are opening our heart and mind to fully walking the talk, living the love, being the joy.

We are grateful and thankful to allow ourselves to simply rest in the love of God.

We place our hand upon our heart. We take that breath of love and gratitude, and we open ourselves to new insight and inspiration to walk the talk with dedication.

We are dedicating ourselves to living the love that we truly are, to exploring and discovering and realizing the love that we truly are.

So we're grateful to, with ease and with grace, align with the Divine and walk the talk of peace, walk the talk of beauty and truth.

We're walking the talk of remembering our eternal nature and living in the flow of God's infinite prosperity and goodness.

We are grateful to walk the talk of kindness and compassion and to be present with ourselves, with our loved ones, and the people that we meet.

Prayer for Today

with Jennifer Hadley

We are walking the talk of being a blessing in the world and opening to receive all the blessings of the universe.

The universe is pouring out its blessings upon us, and we are open to receiving them.

We are saying yes to all the blessings pouring over our life.

We are walking the talk, and we're demonstrating the magnificence of God in the simplest ways, the sweetest ways.

So grateful that we have an opportunity to walk the talk every day, gently and sweetly.

We share the benefits with everyone everywhere because we are forever one with them.

We allow it to unfold with ease and with grace.

No fear, no worry, no doubt.

Just ease and grace.

We let it be, and so it is.

Amen. Amen. Amen.

Oh my goodness, what a blessing.

Ha ha ha ha ha ha.

Yes.

Thank you for being my prayer partner today.

Thank you for being willing to walk the talk and walk it with me.

Yeah, thank you.

All right, what is coming up is the Quantum Counseling Training Intensive, and this is such a unique opportunity to do a deep dive into personal healing in a fun group.

And to have it be such a healing experience and a fun experience is way cool.

And I love doing it.

And this year I get to do it with my dear friend Marc Anthony Lord, my longtime prayer partner.

He is a master teacher. He's been teaching counselors for longer than I have.

And what I can tell you is, we are going to have an extraordinary time together.

And as if that's not enough, with this Training Intensive and the Afterglow, we're going to have classes with John Mundy, Michael Mehrdad, Alan Cohen, and Lisa Natoli.

So this is an extraordinary opportunity.

I've never seen anything like it, and I'm inviting you to come and join us in Asheville, North Carolina, for a week of personal healing, training, learning to listen more deeply than you've ever listened before, opening your intuition like never before, clearing out the clutter emotionally and mentally.

A powerhouse training.

And all the details are at powerofloveministry.net.

I would encourage you, if it piques your interest at all, to book a free exploratory call with one of the spiritual counselors.

They've done the training, and they can answer all your questions.

I love you.

Have an amazing and beautiful day walking the talk.
