

Prayer for Today

with Jennifer Hadley

Prayer for Always Feeling Blessed

Hello, beautiful. This is Jennifer Hadley, and our prayer for today is for always feeling blessed, no matter what.

We are grateful. We are thankful to accept that we live in God, live and move and have our being in God.

So the grace of God is always with us, always for us, never against us.

We are grateful to surrender to the perfection, the wholeness, the beauty, and the wisdom of God that's always operating in, through, and around us because we have surrendered all the blocks to love.

We are feeling blessed always, no matter what is going on.

We are willing to recognize that we are blessed no matter what is going on.

We're surrendering perceptions and projections, any idea that something is wrong with us, that we are not right, that there is a problem in the universe, a problem in our life.

We're letting go of all of these false ideas and beliefs.

We're no longer projecting them onto our life.

We are willing to recognize that we are always blessed, and we are willing to be a blessing no matter where we go, no matter what we're doing.

We're in a cycle, a circle, a continuous loop of blessings, giving and receiving blessings.

So grateful to recognize how blessed we are, regardless of situations and circumstances.

We don't know what anything is for. We're never upset for the reason we think.

So we are remembering that we are blessed, and the upset dissolves and resolves permanently.

We are grateful to allow ourselves to recognize just how blessed we are, to feel it, to really feel it, and allow it to be known.

We share the benefits of our blessed life with everyone everywhere because we are forever one with them.

We let it be, and so it is.

Amen. Amen. Amen.

So good.

Thank you for praying with me today. Thank you for living this blessed life with me. I appreciate you.

Yes, and what is going on? What's coming up is this weekend.

I've got two "Yes to Forgiveness" workshops, Saturday and Sunday.

This is a time for us to get 'er done, so that's what we are doing.

And then next weekend, August 8, I'm doing my Deep Dive Workshop, which is **"Why Am I So Hard on Myself?"**

Let's not be hard on ourselves anymore.

Let's have some compassion for ourselves.

Yes, we're breaking that habit of being hard on ourselves.
