Prayer for Being Willing to Learn

Hello beautiful, this is Jennifer Hadley and our prayer for today is for being willing to learn. Yes - we'd like to be the happy learner, willing to learn, willing to learn and grow. And part of that learning is remembering our true nature. Our true identity is already perfect love. Love is what we are, and the power of love resides within us.

Oh yes - if you're ready to be a happy learner, this is the prayer for you.

Taking that breath of love and gratitude, we are grateful to place our hand upon our heart and open ourselves to a great flow of love, wisdom, and intelligence. We are grateful and thankful to cultivate this willing heart, this willing mind - willing to learn, willing to remember, willing to cultivate the skill set to be a happy learner.

We are grateful to turn it over to the wisdom of the higher Holy Spirit itself. We don't have to figure it out. We don't have to understand it. We don't have to explain it. We are simply willing to embrace the truth, willing to be that happy learner, willing to remember our true nature is already innocent, already perfect and free.

We are grateful to be willing to learn that so much goodness is ours. It awaits us. It is ours already. We are grateful to open ourselves to a profound healing that goes with us for the rest of our lives. We are definitely willing.

We are grateful to open ourselves to this tremendous willingness, to this great love, and we share the benefits with everyone everywhere because we are forever one with them. So grateful to allow ourselves to know and remember the truth that does indeed set us free. We let it be, we know it's done, and so it is.

Amen. Man, oh man. Oh yes, yes, so good.

Thank you for being my prayer partner today. Thank you for your willingness to learn and grow. It's not easy - a lot of the time it is not easy - but it sure does get easier, and I'm grateful for that. So, yes.

All right, what's coming up. We're taking a break from Sundays with Spirit for the month of July, and we're focused on the Quantum Counseling Training Intensive.

This is a powerful, really life-changing training that's open to anyone. It's a professional training, and many people do come for that - therapists, life coaches, people who are interested in being counselors, or people who already work one-on-one with clients, lawyers, accountants, people like that. Or simply people who are grandparents, people who are teachers, people who realize they can increase their intuition, stop playing small, and expand into the wisdom of the universe. So this is really open for everyone, and I do hope you'll consider coming to join us.

People are registering still, and we start a week from today in the Blue Ridge Mountains of Asheville, North Carolina. So come on down - we'll be happy to enroll you. And if you have any questions, you can book an exploratory call with one of the Quantum Counselors who can answer any and all of your questions.

I love you. Have a powerful, amazing, beautiful day, being willing to learn.
