Prayer for Deciding to Heal

Hello, beautiful. This is Jennifer Hadley, and our prayer for today is for deciding to heal.

We're making a powerful decision. We're deciding to heal all day long, all life long. We're deciding that we can heal. We're deciding that we are worthy of healing. We are worthy of transcendence and transformation. We are worthy of all manner of miracles.

So we're deciding to accept all the possibilities of healing and to move forward in love.

We are grateful to place our hand upon our heart and to say yes to our healing. We're deciding to have a huge yes to healing, a huge yes to love, a huge yes to transformation, to letting go of the past and anything that has prevented our healing.

Any thought, any belief, any habit or pattern that has prevented our healing in the past, we're allowing it to be dissolved and resolved permanently, back to whatever the root cause is, right now.

We are grateful to allow ourselves to open to the perfection, to the beauty, and to the wholeness of our very being, and allow it to flourish and unfold, and to remind us of the truth.

The truth is we are part of God. Our perfection and innocence are intact, and so the Holy Spirit is enabling our healing.

We are rising up, and we are consciously opening ourselves to the full release of the blocks to love. The blocks to healing fall away.

We are grateful to welcome more love into our heart, into our mind, into our life, and into our conversation.

We are grateful that our very being is vibrating with this decision for healing, and because like attracts like, we are magnetizing to us everything we need for miraculous healing.

It's taking place now. We do not have to wait. We don't have to earn it. We simply allow it.

So grateful for this decision. We share the benefits with everyone everywhere because we are forever one with them.

We allow it to be, and so it is.

Amen, amen, amen.

Oh yes! Thank you for praying with me today. Thank you for making this decision for healing.

Thank you for being my prayer partner.

OK, what is coming up? On Friday, I am doing a free forgiveness workshop. Come and join me.

All are welcome.

And then, a week from Sunday, the 26th, that's the kickoff for my End My Self-Sabotage program. So this is a really sweet six-week program with the intention to heal the ways we sabotage ourselves.
