

Prayer for Today

with Jennifer Hadley

Prayer for Doubt-Free Life

Hello, beautiful. This is Jennifer Hadley, and our prayer for today is for a life without doubt—a doubt-free life, a doubt-free mind.

Yes, it all starts with our mind.

We are grateful. We are thankful to place our hand upon our heart and to declare our willingness to give up the root causes of doubt.

All doubt is really self-doubt, and we are no longer placing our faith and trust in the vagaries of our personality.

We are grateful and thankful to place our trust and our faith in love, in the great Law of Life, in the Lord, in God Itself.

We are grateful and thankful to place our faith and trust in what is real and permanent.

We are grateful to surrender placing our trust and faith in that which is not trustworthy.

We are grateful to surrender the doubt, the fear, and the worry that arise from placing our faith and trust in the ego, in personality, and in the sinking sands, the shifting sands of life.

Now we're going for higher ground. We are going for solid ground.

So we're placing our faith and trust in what's real.

Prayer for Today

with Jennifer Hadley

And what's real is the infinite nature of God.

Real is the love of our Creator, which is ever-present, omnipresent, omnipotent, and a very central part of our being.

We're grateful and thankful that our life is so blessed and that we have the fullness of God's infinite love, and we know it.

So we are grateful to share the benefits of our life without doubt, our life of faith and trust, with everyone everywhere because we are forever one with them.

In gratitude, we allow it to be, and so it is.

Amen. Amen. Amen.

Oh, man! Yes!

Thank you for praying with me today.

Yes, not looking for or placing our trust and faith in our personality and the shifting sands of the personality.

No, not doing that anymore.

Standing on the rock—faith and trust in God.

Whew! Yes!

All right, what's going on?

Prayer for Today

with Jennifer Hadley

I am not doing forgiveness workshops this weekend. We had a low turnout. It's summer. I get it.

No problem.

So the next one is Saturday, August 29.

And speaking of Saturdays, Saturday, August 8, is my Deep Dive Workshop.

The topic this month is **"Why Am I So Hard on Myself?"**

We're going to get to the bottom of that, and most importantly, we are going to undo those patterns of being hard on ourselves.

Yay!

They are habits. They are habits, and they can be dissolved.

So we'll do that work together, and I'm grateful for that.

And in the meantime, I love you.

Have a powerful, beautiful day without doubt.
