Prayer for Focusing On Healing

Hello, beautiful. This is Jennifer Hadley, and our prayer for today is for focusing on healing.

Grateful to place our focus on healing instead of what we don't like and what we don't want. We're focusing on healing.

We place our hand on our heart. We take a breath of love and gratitude. We lift up. We lift up into the miracle zone.

We are entitled to miracles, and we are making ourselves a vibrational match for beautiful miracles happening in our heart, in our mind, and in our life.

We are so, so grateful to allow healing, to accept healing, to bring forth and call for tremendous healing.

And we're doing this by placing our focus on healing, not on the problem as we perceive it, but on the healed mind, the healed heart, the healed life.

We are grateful and thankful to allow ourselves to truly bask in the awakened mind, in the awakened awareness, the Christ Consciousness, where all the healing is.

So we are allowing ourselves to receive this gift of healing.

We're allowing ourselves to recognize, yes, miracles are natural, and we're accepting all the unlimited miracles.

We are grateful to give ourselves over to this profound healing and to let it circulate through every aspect of our life and being.

We are truly sharing the benefits of our healing, of allowing the healing, choosing the healing, with everyone everywhere because we are forever one with them.

In gratitude, we let it be, and so it is.

Amen. Amen. Amen.

So good. Yes, so good to focus on healing.

Thank you for praying with me. Thank you for being my prayer partner today.

And what's going on tomorrow? Yes, tomorrow is the free forgiveness workshop.

And then on Sunday, we begin the End My Self-Sabotage program, so two great opportunities for allowing healing right here.

So come join me. You're invited. Spread the word. All are welcome.

Have a beautiful, powerful day allowing the healing.
