

Prayer for Today

with Jennifer Hadley

Prayer for Lasting Healing

Hello, beautiful. This is Jennifer Hadley, and our prayer for today is for lasting healing, permanent healing.

Yes, let's place our hand upon our heart and be grateful and thankful that we are entitled to miracles, and we are allowing ourselves to experience miracles of lasting healing at all levels—mentally, emotionally, physically, in relationships, finances, every single level.

We're allowing ourselves to have miraculous healing, lasting healing, profound transformation.

We are grateful and thankful to welcome everything that supports our lasting healing.

We are grateful to allow ourselves to be aware of any place where we might be resisting or rejecting our permanent healing, our lasting healing.

So grateful that we don't have to figure out how to have a healing. We are allowing the healing to happen. We're getting out of the way.

We're no longer interested in being resistant or reluctant or avoidant. We are saying yes to our healing, yes to the transformation, yes to the miracles.

So open, so available for the healing.

Prayer for Today

with Jennifer Hadley

We are grateful that we are available to open ourselves, receptive and grateful for our healing.

We are grateful for the shifts and changes in our life that support our healing and transformation.

We share the benefits of our healing and transformation with everyone everywhere because we are forever one with them.

We allow it to unfold with ease and with grace. We let it be, and so it is.

Amen. Amen. Amen.

Hey, yeah! Lasting healing. Yes, we say yes!

Thank you for being my prayer partner today. Thank you for praying with me. It's good. It's good.

We're finishing the Quantum Counseling Training Intensive in Asheville, and it's just been a joy ride in the most beautiful, lasting-healing way. So that's why it's on my mind.

Plus, what's coming up is the End My Self-Sabotage program, and that is about lasting healing as well.

So if you feel like you're getting in your own way, you have self-sabotage issues, check out the End My Self-Sabotage program, which starts on Sunday, July 26, a week from tomorrow.

And this Friday I have a forgiveness workshop, totally free for you, so check that out as well.

Register now so you don't forget.

And I love you. Have a powerful healing day of lasting healing because of miracles.

Yes.
