Prayer for Letting Go of the False Picture

Hello beautiful, this is Jennifer Hadley, and our prayer for today is for letting go of the false picture.

The false picture that we hold in our mind and impose upon our relationships, our job, and all kinds of situations.

We are giving up holding onto a false picture of all of our life.

We are setting ourselves free of that particular insanity.

We are grateful to place our hand upon our heart and wholeheartedly open our mind to the Truth so that we can see and feel and experience and recognize what's actually going on and understand it clearly, know our place in the world and in our relationships.

We are grateful to stop projecting onto the world, onto our relationships, onto our workplace, our false beliefs, our fears and phobias, our worries and concerns.

No.

Instead, we are choosing to transcend all of that, to let it go now and forever, and to open ourselves to a clarity, to a peace of mind that is breathtaking and staggering, and such a change of pace in life.

We are willing to reboot into our human existence with more peace, more love, more joy.

So grateful to surrender whatever stands in the way of our experiencing that more peace, more love, more joy.

So grateful that we truly can turn it over to that Higher Holy Spirit Self and allow ourselves to free-flow with wisdom, with clarity, with dynamic goodness.

So grateful to be alive.

Grateful to live a life of growth and of expansion.

Ever-increasing clarity and the beauty of life shine in our heart, in our mind, and we're extending them to everyone everywhere because we're one with them.

So grateful to allow it to unfold.

We let it be.

And so it is.

Amen. Amen.

Amen.

Yes, it's beautiful.

Thank you so much for being my prayer partner today and making this prayer with me.

It's so good.

All right, what is coming up?

At the end of the month we start the **End My Self-Sabotage** program.

It's such a healing experience, and all are welcome to join us.

I have a free Forgiveness Workshop coming up in about a week.

Yeah, good things are happening.

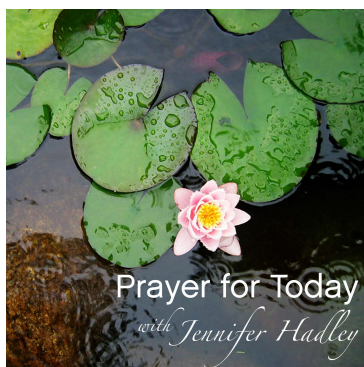

They're unfolding with ease, with grace, and there's always more to come, isn't there?

I love you.

Have a beautiful and awe-filled day of truly healing and letting go of that false picture, that projection.

What a relief.

I love you.
