

Prayer for Today

with Jennifer Hadley

Prayer for Loving Understanding

Hello beautiful, this is Jennifer Hadley, and our prayer for today is for loving understanding.

Yes, we are grateful. We are thankful to open our hearts with compassion, with loving understanding for our brothers and sisters, and most especially ourselves.

We are grateful to place our hand upon our heart and dedicate ourselves to remembering to teach only love, because that is what we are. And we teach it to remember it.

So grateful to allow ourselves to become purveyors of compassion.

We are making compassion a priority.

Loving understanding, that's what compassion is, and we are truly making it our heart's desire. It is our heart's priority to be a loving, understanding, compassionate presence in this world for our brothers and sisters and for ourselves.

We are choosing to be a healing presence by choosing loving understanding and compassion for all.

So grateful to dedicate ourselves to being a healing, loving, understanding, compassionate presence, the walking, talking representative of our Creator.

So grateful that we are given so many gifts each and every day from God.

We're given love.

We're given beauty.

We're given wisdom and creativity, abundance and prosperity.

We're given wholeness and freedom and joy and clarity, and so much more.

And in return, we are demonstrating loving understanding and compassion for all.

We share the benefits with all because we're one with them.

We allow it to be, and so it is.

Amen. Amen.

Oh man, yes.

Thank you for being my prayer partner today.

Thank you for praying with me.

I appreciate you.

I appreciate our prayer time.

And what's coming up is tomorrow, my Deep Dive Workshop for the month of July is **How to Stop Absorbing Other People's Pain.**

How to stop really taking on other people's pain.

So I look forward to that because that was something it took me a long time to learn, and now I can teach it very quickly.

So I look forward to sharing that.

And then on Sunday we start the Quantum Counseling Training Intensive.

People were signing up yesterday, so it's not too late. Not too late at all.

I do hope you'll consider coming to join us for a wonderful week of healing in a beautiful place with beautiful, wonderful people like you.

All the details are at poweroflovestrategy.net.

Have a truly thrilling day having loving understanding.

I love you.
