

Prayer for Today

with Jennifer Hadley

Prayer for Returning to Our Right Mind

Hello beautiful this is Jennifer Hadley and our prayer for today is for returning to our right mind returning to my right mind, and truly, we are grateful to place our hand upon our heart and to cultivate right mindedness we're grateful to surrender all attachments to insanity attachment to crazy thinking we're surrendering it right here right now and we are saying yes to being right minded to being loving hearted and compassionate we are grateful to open ourselves to the great flow of wisdom that the universe is always flowing with we are grateful to give ourselves over to right mindedness and relinquish all the attachments to the judgment and opinions that perceptions and projections the stories of the past we are being made brand new in this holy instant and we are recovering our right mind we're allowing ourselves live from our right mind and to recognize our true reality is where we are so we're choosing to live in that place of the new heaven and the new earth. We're choosing to live in a place where the love flows so we're letting go of any idea of condemnation or any kind of attack towards our brothers and sisters, we're liberating ourselves from that said of walking in the world instead we're living the love and walking our talk we share the benefits with everyone everywhere because we are eternally one with them we let it be and so it is amen amen. Amen so good yes yes yes, thank you for praying with me. Thank you for being my prayer partner today and being willing to be bright minded doesn't seem like it would be something we wouldn't want to do, but still we recessed sometimes, but no more no more no more OK what is coming up tomorrow and self

Prayer for Today

with Jennifer Hadley

sabotage program begins. We only do this once a year so this is the time to sign up and this is a program that has so many wonderful bonuses in and it's so low priced. I hope you enjoy every bit of it and I love you have a spectacular day being right minded
