## Prayer for Saying Yes to Love

Hello beautiful, this is Jennifer Hadley, and our prayer for today is for saying yes.

Yes, yes, yes, yes to Love, to Love Itself.

Saying yes to God, saying yes to Spirit, saying yes to Life, to answering the call, to living in alignment, to being of service.

Saying yes to showing up for Love.

We are grateful to place our hand upon our heart and move into that space of love and gratitude, lifting us high.

We're grateful to open ourselves to that big yes, to that big Love, to the Truth, the wisdom, the clarity that the yes to Love brings.

We are grateful and thankful to give ourselves over to that big yes for Love.

We're allowing ourselves to step up and answer the call.

We're answering the cry for love with Love, and we're answering the call to be of service to the Light - to the Light that we all are, to the Light that we all share.

We are saying yes to being of service to God Itself, living in alignment.

It's joyful service.

It is happiness-making.

We are grateful that we can say yes, that we have the ability to say yes and to open ourselves to the expansion and the clarity, the beauty, and that high vibration that being of service to the Light brings.

So grateful to shine our light of Love with a big, big yes.

We share the benefits with everyone everywhere because we're one with them.

So grateful to say yes to Love.

We let it be, and so it is.

Amen. Amen.

Amen.

Yes, big, fat yes to Love.

Thank you for praying with me today.

Thank you for being my prayer partner.

I appreciate you.

And what is coming up?

I have a Deep Dive Workshop on Saturday, and it's especially for people who are very sensitive to other people's pain, people who are empaths.

How to Stop Absorbing Other People's Pain - that is the focus of this month's Deep Dive.

Next month is Quiet the Inner Critic.

So yes, we are really stepping up.

I'm so grateful for these topics, and I hope you'll join me on Saturday.

How to Stop Absorbing Other People's Pain - I've had to learn that, and it's been incredibly helpful to me.

And then on Sunday, we start the Quantum Counseling Training Intensive in Asheville, North Carolina.

So that is what is going on, and that is what is coming up.

I hope to see you soon.

To be with you soon is even better.

And I love you.

Have a powerful, beautiful day saying yes to Love.
