Prayer for Spiritual Success

Hello, beautiful. This is Jennifer Hadley, and our prayer for today is for spiritual success.

Yes, so we place our hand upon our heart, and we are grateful and thankful for the power of love. Yes, the power of love within us, healing us now. Yes, healing all misperceptions and projections.

We are grateful and thankful to claim our spiritual success right now. We don't have to wait. We are choosing to be successful as spiritual beings having a human experience, successful in loving and being patient and kind and generous.

We are grateful and thankful to claim our success in opening our hearts, opening our mind to the truth, valuing the truth.

We are grateful and thankful to claim our spiritual success in terms of being honest and transparent and willing. We are grateful and thankful to claim our spiritual success because we are willing. We are willing to let the past go. We are willing to stand in our true identity. We are willing to let go of the meaning that we made of things in the past and recognize what's real and true now.

We are grateful and thankful for our willingness to kick the habit of taking offense and blaming others for what we think and what we feel and what our life looks like.

Prayer for Today

with Jennifer Hadley

We are grateful and thankful to claim our spiritual success in terms of taking responsibility for our thoughts, our feelings, and our actions.

Oh, there's so much spiritual success for us. We are grateful and thankful to claim it this day and every day. We share the benefits with all, everyone everywhere, because we are forever one with them.

We let it be, and so it is. Amen. Amen. Yes. Oh, God. Ha ha ha ha. God is. Yes.

Thank you for being my prayer partner today. Thank you for praying with me today. My goodness. We're already a spiritual success. Let's just admit it. Ha ha.

OK, what's going on is a week from tomorrow, Friday the 24th, I'm doing a free forgiveness workshop. On Sunday the 26th, the start of my six-week self-sabotage program. This is a very low-cost, very packed program, lots of good things. If you feel like you're sabotaging yourself in any way, come and join us. Let's break those patterns. Let them dissolve permanently.

Yes, we can be free of self-sabotage, and that's what's going on. That's what's coming up.

I love you. Have an amazing, beautiful, wonderful, powerful, healing day of spiritual success.
