Prayer for Accepting the Miracle

Hello, beautiful. This is Jennifer Hadley, and our prayer for today is for accepting the miracle.

We're accepting the miracle that we are.

We're accepting the miracle that God is as our very life.

We're accepting the miracle that is the shift in our consciousness away from worry, guilt, doubt, fear, blame, shame, regret, resentment, all forms of judgment and attack.

We're accepting the miracle.

It is the healing of our mind, the miracle that is the release of fear, the miracle that is prosperity and abundance consciousness, the miracle that is our freedom from pain and suffering.

We are grateful and thankful to accept the miracle, the many, many miracles that are ours today and every day.

We're allowing ourselves to truly bask in the light of love and remember that we are the light of love.

Our mind is the mind of God.

Our heart is the heart of God, now and forever.

So grateful to allow ourselves to truly rise up and become miraculous and live a miraculous life, living a life that is filled with amazing insight and inspirations and beauty and all forms of love expressing in our relationships, in our very experience of the Earth we seem to live upon.

We are grateful to welcome miracles in our consciousness now and forever.

We are sharing the miracles and all the benefits of miracles with everyone everywhere because we are forever one with them.

We allow it to be, and so it is.

Amen. Amen. Amen.

Thank you so much for praying with me.

I love this miraculous opening and awakening that we are choosing for each other, for ourselves, and for the world.

All right, what's going on today?

Sundays with Spirit. Angela is the inspirational speaker, and it will be exceptional.

Talk about miraculous—there's a miraculous person if I ever met one.

And what else is coming up?

A free forgiveness workshop on Saturday.

The next free forgiveness workshop is Monday, Labor Day, September 7.

And then we have the Living *A Course in Miracles* program September 10 through the 13th.

And then we have—I'm finding freedom starts on the 21st.

So lots of free things, lots of good things, life-changing.

So I'm inviting you to tune into all of it.

Now is the time for us to really soak in, saturate in, the teachings of truth and to claim our miraculous life.

Beautiful, I love you.

Have a powerful and beautiful day, accepting the miracles coming your way.
