Prayer for Being A Healing Presence

Hello beautiful, this is Jennifer Hadley and our prayer for today is for being a healing presence. Yes - that is what we are choosing. So grateful, so thankful to place my hand upon my heart and to choose healing, to choose to be a healing presence. Oh my goodness.

Oh yes - if you're ready to be truly helpful, this is the prayer for you.

So grateful to let go of anything that is not helpful. Yes - simply allowing ourselves to anchor into our purpose, which is to be truly helpful. We have what it takes, and we are saying yes to being that healing, beneficial presence in all of our relationships and all of our activities, everywhere we go, everything we do.

And we are grateful to give up any self-judgment when we don't meet the mark. We are grateful to aspire higher. We aspire to be a beneficial, loving presence at all times, and we are led and guided by that Higher Holy Spirit Self, by our own holiness. That is our North Star. We are looking to the peace, love, and joy aspect of our true identity.

We are letting go of the past. We don't have to look back. We don't have to look at ourselves through the lens of the past. We are moving forward, knowing that we have everything we need to be a beneficial and loving presence.

Our life is an activity of love. Our life is an activity of God's infinite love, being shared, being demonstrated, being activated. And we are grateful that this is the truth of our being. This is the truth of our life. We have everything we need, pre-installed, to be that loving, gentle, caring, dynamic, healing presence.

So grateful that our own personal healing is the healing that we share and extend with everyone. So every part of our life is beneficial to every part of all life. We are truly allowing this healing to unfold with ease, with grace. We let it be, and so it is.

Amen. Amen. Amen. Yes - whoo, that's a good one, yes.

Thank you so much for praying with me today. Thank you for being my prayer partner and being a healing presence.
