Prayer for Burning Off the Dross

Hello beautiful, this is Jennifer Hadley and our prayer for today is for choosing liberation. We're not interested in playing small anymore. We're not interested in lack and limitation anymore. We are choosing liberation from all of that. We're choosing liberation from pain and suffering. We're giving ourselves a break, a permanent break, from the awfulness of separation.

Oh yes - if you're ready to be free, this is the prayer for you.

So we're grateful to say yes to liberation. We're choosing liberation in the mind, liberation in the heart, liberation in our finances, liberation in our health and our wealth. We are grateful and thankful to give ourselves over to divinity, allowing the infinite intelligence, the love of God, to shine in our heart, in our mind, in our conversations and activities.

We're giving ourselves over for liberation. So grateful to surrender all of the ways that we feel trapped, that we feel broken or imprisoned by our life and our choices. We're giving ourselves over to liberation. We're choosing freedom. We're choosing freedom from self-sabotage, freedom from living in lack, freedom from attack.

We are giving ourselves over to this liberation of Spirit, and allowing ourselves to truly know freedom. Oh my goodness, it's so wonderful that we get to share the benefits with everyone everywhere, because we are forever one with them.

We are grateful that we're not stuck. We're choosing liberation. We're grateful that our liberation is something we get to share with everyone everywhere. So grateful to make this choice this day. In gratitude, we allow it to unfold with ease, with grace. We let it be, and so it is.

Amen. Man, oh man. Yes, thank you God. Yes, yes.

Oh my goodness - I'm recording this from the airport. I've been delayed for hours and hours now with my flights, and I'm just grateful that I'm still smiling, still happy, still peaceful, still praying. Thank you for being my prayer partner today. Thank you for praying with me.

And what's coming up is Friday, a FREE Forgiveness Workshop. And then Sunday, a week from today, is the beginning of the End My Self Sabotage program. So if you feel like you've been stuck in cycles of self-sabotage, this is a program to really support you in changing your mind - and not only behavior modification. So if that appeals to you, all the details are at Power of Love Ministry.

And I hope to see you somewhere soon. I love you. Have an amazing and beautiful day, choosing liberation.
