Prayer for Feeling Peaceful

Hello beautiful this is Jennifer Hadley and our prayer for today is for feeling peaceful yes, let's take that breath of love and gratitude and place our hand upon our heart. We are truly grateful and thankful that the peace is already ours that it is our nature to be peaceful and harmonious, and so we are surrendering any attachments that we have to feeling upset, sometimes we choose to feel I'm sad just to feel alive just to feel powerful and it has a negative effect so we are grateful to choose that peace is our way. Peace is our natural state. We're giving the way for healing all the ideas and beliefs and thoughts and memories that disturb our peace we're allowing ourselves to be lifted and shifted into that higher vibration of true peace we are peaceful because God is we are peaceful because our mind is the mind of God, we are peaceful because it is our nature. We are peaceful because we are willing to be peaceful. We are peaceful because we are willing to be led and guided to that higher state that higher vibration that higher awareness of the perfect love that we already are so grateful to surrender any attachments we have to complaints to grievances grudges anything we've been holding onto the disturbance. Our piece were surrendering adhering now grateful to walk in the love of God as the love of God and to extend and share the love of God in gratitude we allow to unfold with ease and with grace we let it be and so it is amen I'm in amen yes we are choosing to feel peaceful.
