Prayer for Healing the Hurt

Hello beautiful this is Jennifer Hadley and our prayer for today's for healing the heart we're with the hurt, we are ready for the healing, so we're grateful to place our hand upon our heart and to know that our heart is peeling in this very instant it's very moment we're dedicating ourselves to a healed heart to letting the hurt be something of the past a distant memory let it fade away. We are grateful to open ourselves to the beauty in each and every moment the love that we already are, we are grateful to open ourselves to infinite Intelligence leading us guiding us, inspiring us to continue to let go of resentment and regrets and guilt and shame in all the components of the hurt that we have held onto we are grateful that we don't have to hold grievances and grudges anymore. It's not part of the plan. We're letting all the false notions that we should hold onto these hearts that somehow holding onto them protects us we're letting all of that of and resolved permanently back to the root cause love is the healer so we are willing to love fully and freely were healing the heart and making an opening making a space a beautiful precious space for our loving heart to express to receive to know and to feel that life is good that we are loved and we are lovable, and that the love that we share is valuable it's worthwhile we're worthwhile so grateful to heal whatever the hearts are and to share the benefits with everyone where because we are forever, one with them in gratitude, we allow it to be and so it is man, a man, a man oh yes, thank you for praying with me today thank you for being my prayer partner.
