Prayer for Living In Peace

Hello beautiful this is Jennifer Hadley and our prayer for today is for living in peace yes we are interested in and dedicated to living in peace being the piece that we'd like to see in the world so we place our hand upon our heart, and we wholeheartedly partner up with that higher Holy Spirit itself we are grateful and thankful to allow ourselves to truly rise up and be the peace in our workplace in our family and our home in our heart, we are interested in living in peace, a peaceful environment, peaceful home peaceful neighborhood. We are grateful to bring the piece with us and to allow it to ripple out to the rest of the world, we are grateful to foment peace wherever we go in our conversations and communications, we are spreading the peace were demonstrating the peace were activating the peace so grateful to be those peace keepers and peace spreaders so grateful to allow ourselves to relinquish any idea that things should be different and that things are wrong and bad we're opening ourselves to understanding what things are for we're making room in our mind except what is and to call for the love of God, in every aspect in area of our life and being so we're being the peace living the peace living in peace, so grateful to share the benefits of our life of peace with everyone everywhere so grateful to allow ourselves to experience god's infinite gift of peace in our mind and in all parts of our life let it be and so it is amen amen. Amen. Yes, peace is worth it. Peace is worth the mind training and mental discipline that it takes to get back there back to our original instructions and our original youngness, thank you for praying with me today being my prayer partner.
