## Prayer for Loving More Fully

Hello, beautiful. This is Jennifer Hadley, and our prayer for today is for loving more fully.

Yes, loving with our whole heart.

And let us place our hand upon our heart and open ourselves to the range God's infinite love pouring through us.

Love for all reasons and seasons.

Love because it is our nature.

Love is the essence of our being.

Love is who and what and when we are.

All part of us. It's every part of us.

And we are grateful and thankful to love more fully than ever before.

We are fully loved, and we are loving more fully.

We are grateful and thankful to give ourselves over to the fullness of love and not hold back at all.

We're grateful to open ourselves to new insights and clarity, inspiration and divine downloads, to compel us to love more fully and to live more fully.

We're opening ourselves to the ways that God's infinite love is pulling us, pulling us with a vision of our perfection and our holiness and the perfection and holiness of our brothers and sisters, despite whatever is going on with them or with us.

We are grateful to recognize there is a hidden splendor in each and every one of us, and we are willing to see it.

We are willing to recognize it.

We are willing to call it forth.

We are willing to participate in a global healing with all humanity because we are willing to love more fully.

We are grateful to share the benefits with everyone.

We allow it to be. We let it be, and so it is.

Amen. Amen.

Oh, man, yes!

Ha ha ha ha!

So, so good.

Oh my goodness, what a blessing.
