Prayer for Maximizing the Healing Opportunities

Hello, beautiful. This is Jennifer Hadley, and our prayer for today is for maximizing the healing opportunities.

There are always healing opportunities coming our way, all the time, continuously. It never stops. It's a live stream that has no end, and we are grateful to be in the flow of that live stream of healing.

Miraculous healing opportunities are ours, and we accept them. We allow them.

So we begin with a breath of love and gratitude, and we place our hand upon our heart, and we say yes.

Yes to amazing, miraculous healing opportunities.

We are maximizing those healing opportunities. We are accepting them. We are allowing them. We are welcoming them.

We are grateful to move past the time of resistance and reluctance and into the place of saying yes, yes, yes to our healing opportunities.

Yes to maximizing the healing opportunities in any way that we can.

So through sharing and extending the healing opportunities, including our brothers and sisters in the healing opportunities, becoming miracle-minded, becoming committed to the truth and living by the light of the truth, we are grateful to open our heart and mind to all the myriad ways that we can maximize the opportunities for healing and extend them, share them, welcome them.

So grateful and thankful that it's unlimited.

It's unlimited—the ways that we can maximize our healing opportunities is unlimited.

So we're accepting that we are unlimited, unprecedented, miraculous beings.

We share the benefits with everyone everywhere because we are forever one with them.

In gratitude, we allow it to be, and so it is.

Amen. Amen. Amen.

Heavenly.

Thank you, God.
