Prayer for Being All-In for Love

Hello beautiful this is Jennifer Hadley and our prayer for today for being all in for love all in for love, oh my goodness, I'm grateful and thankful to place my hand upon my heart and declare my willingness to be all in for love to make love the priority to make the love of god, the priority in my life and my heart and my conversations in my activities and connections so grateful and thankful to make being all in for love my priority. My attention goes to being a loving to extending love and awakening to love's presence as my very life and being in the life and being of every other person on this planet, every being everywhere, so grateful to turn our attention to the perfect love that we already are to our wholeness and our holiness, and to no, that being all in for love is being all in for joy for freedom for happiness for clarity and so much more being all in for love means moving out of despair and worry and fear and anything else that could distract us or delay us in our joyful living in our happiness in our awakening we are choosing to move faster on the path. We are choosing to extend more love to our brothers and sisters we are grateful for rising up grateful for living above the battlefield. We're truly sharing the benefits with everyone everywhere because we are forever one with them we allowed to unfolded with ease and with grace, we let it be and so it is amen amen. Oh yes, thank you for praying with me today. Thank you for being willing to be all in for love so good all right what's coming up today?
