Prayer for Choosing with Love

Hello beautiful this is Jennifer Hadley and our prayer for today is for choosing with love, making our loving choices with love, so we're grateful to place our hand upon our heart take a breath of love and gratitude and rise up above the battlefield we're not interested in a life of sacrifice we're interested in a life of love and that's what we're choosing we are grateful and thankful to surrender the belief that we have to sacrifice in order to have love we are grateful to surrender the idea that we have to sacrifice in order to have peace in order to have relationships. We are grateful to open ourselves to loving freely, truly allowing ourselves to freely love ourselves, our brothers and sisters, our mothers and fathers and everyone else who crosses our path we are taking a turn in our life right here right now, and we are choosing to fully love and to love freely. We are grateful and thankful to make our decisions and choices with love were choosing with love love is the reason for choosing so grateful to surrender any idea that life is hard and love it's hard relationships are hard. We're giving all of that up and we're allowing ourselves to choose with love choosing love with love, so grateful to claim a healing in our heart and to share the benefits with everyone everywhere because we are forever one with them, we are grateful to allow it to unfold with ease and with grace we let it be and so it is amen amen.
