## Prayer for Demonstrating Trust

Hello, beautiful. This is Jennifer Hadley, and our prayer for today is for demonstrating trust, living in trust, activating trust.

Very, very grateful to put forth the willingness and the desire to know and remember that we can trust God. We can trust our Creator. We can trust our Higher Holy Spirit Self. We can trust ourselves, and we are willing.

So we place our hand upon our heart, and we take that breath of love and gratitude, and we remember that trust is worthy of our attention.

We are developing trust. We're demonstrating trust right here, right now, in this moment, by the act of this prayer.

We are demonstrating that we have trust and faith in the great laws of the universe, that our word has power, that our mind is the mind of God.

And so we're placing our trust and faith in God, placing our trust and faith in the power of our Creator rather than in our personality.

We are grateful and thankful to cultivate a deep and abiding faith through practicing trust.

We are grateful that practicing trust doesn't have to be painful. It doesn't have to be worrisome or frightening in any way or shape.

We are grateful to claim our destiny to be in full trust of God.

So grateful and so thankful to stand in the light of truth now, placing our faith and trust in God that today is another day for us to love fully and completely without fear of retribution.

We are grateful to develop a deep faith and trust and to share the benefits with everyone, everywhere, because we are forever one.

In gratitude, we allow it to be, and so it is.

Amen. Amen. Amen.

Oh my goodness. Powerful.

All right, thank you for being my prayer partner today. Thank you for praying with me. I'm so grateful.

And what's coming up?

So we've launched the Finding Freedom program, and if for some reason you were distracted and you didn't get registered, just register right away and come and join us today, right now.

Yes.

And what else is coming up is, of course, in October, forgiveness workshops will be coming your way. We have the Deep Dive Workshops.

The next one is on Saturday, October 3rd. That is actually the Deep Dive for September, and it's been postponed till October because I have a wonderful adventure I'm going on this coming weekend, and so I had to move the workshop.

So we end up having two Deep Dives in October.

And also in October, Masterful Living registration is going to open, and that's always so exciting for me.

And the sooner you register for next year's Masterful Living, the more bonuses you get. There's bonuses in October, November, and December, and if you register before they expire, then you can come and join me live this year with your Masterful Living bonuses.

And I know there's more going on, but that's it for right now.

I love you. Have a powerful, beautiful, breathtaking day developing trust, real trust.
