Prayer for Giving and Receiving Freely

Hello beautiful, this is Jennifer Hadley and our prayer for today is for giving and receiving freely. We are naturally the perfect givers and receivers of love, and we are remembering that truth right here, right now.

Oh yes - if you've been holding back your love, this is the prayer for you.

We place our hand upon our heart and take that breath of love and gratitude. We rise up, rise up above the battlefield - the relationship battlefield of withholding love and punishing. We are giving up all the habits we have of criticizing and condemning, and we're opening ourselves to truly give and receive freely, give and receive freely of our loving heart, of our compassion, of our kindness.

We're no longer interested in withholding the love, the compassion, the kindness, the generosity. The compassion flows in our heart, in our mind, right here, right now. We are grateful to accept, to allow, to receive, to be in the flow of love like never before. We are grateful that it is natural for us to be in that flow of giving and receiving love.

So grateful to give and receive all the ways that God is loving us. We're extending and sharing all the ways that God is loving us. We're opening ourselves to fully receive from our Creator, from all creation. We're allowing Mother Nature, the Earth, and all that there is to shower us with love, with affection, with kindness, with generosity, with beauty.

And we are awakening to the truth that we are innocent, we are whole, we are complete, we are perfect. We are already there. So we're giving and receiving freely from a loving heart.

So grateful to take this breath together. So grateful to open ourselves together. So grateful that our loving heart is medicine for the world. We are sharing the benefits with everyone everywhere, because we are forever one with them. We allow it to be, and so it is.

Amen. Amen. Amen. Yes.

Thank you for praying with me today, and thank you for being my prayer partner. And I am grateful to let you know what's coming up.

So what's coming up - this coming Saturday, the September Deep Dive has been moved to the first Saturday in October, and Love Freely is the topic. So that's coming up.

And then on Monday, October 12, is the next Forgiveness Workshop, which is totally free. That Monday is Indigenous Peoples' Day, formerly known as Columbus Day. So these are the things that are coming up.

Plus, Masterful Living registration will be opening for next year in just a few weeks - and the sooner you register, the more bonuses you'll receive.

So I am grateful and thankful to connect with you today. I love you. May you have a beautiful and blessed day, giving and receiving freely.
