# Prayer for Giving up Illusions for Real Love

Writing

Hello, beautiful. This is Jennifer Hadley, and our prayer for today is for giving up illusions of real love, trading illusions for real love.

We're trading those special relationships for holy relationships, and that's a good thing. That's a great thing.

We're grateful. We're thankful to place our hand upon our heart to remember and recognize the fullness of love is right where we are. It's where we've always been. The kingdom is within, and the kingdom is our loving heart.

So we are going back to the beginning, going back to the default settings, going back to the truth of our being.

We are grateful and thankful to recognize and remember that it's natural for us to love fully and completely. It's natural for us to feel safe loving and to feel generous in our love, to feel it's good to be receptive and available for the love of God flowing through all the different channels that it comes to us through.

We are grateful to give up the illusions and delusions of love for the truth of love.

The truth of love is deeply healing and powerful, so transformative, so uplifting and inspiring.

And the illusions of love are tiring, and they're exhausting, and we're no longer interested in that.

So we're trading the illusions of love for the real thing, the real deal.

So grateful to open to receive God's love and to share the benefits with everyone, everywhere, because we are forever one with them.

Let it be, and so it is.

Amen. Amen. Amen.

Yes, so good. Thank you for praying with me today. I appreciate you, and I love being your prayer partner, so thank you.

What is coming up?

Well, today my prayer class begins. So, in case you don't know, I have a prayer practitioner training, and it includes four different modules, plus a whole group of classes for certification.

And it's one of my favorite things. I love talking about prayer.

So we're going to be launching another module in the prayer practitioner training, and that's today, September 30th.

And then Saturday is my workshop, How to Love Freely. How to Love Freely. So that is coming up on Saturday.

And the next forgiveness workshop is on the holiday Monday, I believe it's October 12th, Indigenous Peoples' Day, formerly known as Columbus Day.

All right, I hope to see you soon. I love you.

Have an absolutely stellar day, giving up the illusions of love and letting real love take hold.
