Prayer for Giving with Our Whole Heart

Writing

Hello, beautiful. This is Jennifer Hadley, and our prayer for today is for loving with our whole heart.

I love this one. Let's place our hand upon our heart and be grateful and thankful that it's even possible for us to love with our whole heart some of the time.

Let's be grateful and thankful that love is what we are, and it's natural for us to love fully and completely, without reservation. Love without conditions is our default setting, and we are going back to the default setting right here, right now.

So grateful to rise up above lack and limitation, thinking we're loving with our whole heart. The more we love, the more love we have to give and to share.

So we are opening our floodgates of love in our heart, and we're extending love to our brothers and sisters, to everyone around the world.

We are grateful and thankful that love is our healer, and love is healing us now. And so we're opening our heart to love wholeheartedly and to have a healing right here, right now.

Prayer for Today

with Jennifer Hadley

Letting go of attack thoughts, defend thoughts, letting go of the blocks to love, letting go of thinking we're not good enough, we're unworthy, that we're bad or guilty or should be punished for anything, any time, or that anyone else needs to be punished.

We're opening our heart to love more fully, to love without reservation, without conditions, and we are grateful to allow this flow.

We share the benefits with everyone, everywhere, because we are eternally one with them.

In gratitude, we let it be, and so it is.

Amen. Amen. Amen.

Yes, so good, so, so good. Thank you for praying with me today. Thank you for being my prayer partner.

And what's going on? What's happening?

This Saturday, October 3rd, my How to Love Freely workshop. Let's love freely, without conditions, without sacrifice, without strings. Yes, so good!

And then on the Monday holiday, on the 12th, I'm doing a free forgiveness workshop. And then later this month, Masterful Living registration is opening.

So those are the things that are going on. They're coming up, and I love you.

Have an amazing day, loving so freely.
